Your Honor, Granted I understand that I'm not supposed to directly write you. It is just that I recently requested the Clerks Office to send me a copy of the "Docket Entries".

The problem is is that I have been met with refusal from a Pro Se Writ Clerk and her name is Ms. Lois A. Fuller.

Please, help me understand why I must file for a court order or pay, when I don't have the funds, to receive copies of the court Docket Entries. When, at the time of filing my complaint, I had filed under "in forma pauperis".

Also, please, understand that my letter to you, directly, is my chosen course of informal resolution.

Otherwise, by my filing through the Court to obtain the copies I had originally requested, I would have to request charges to be pressed against Ms. Fuller for her incompetence and contempt. And, this way, by informal resolution, the charges can be avoided.

I ask that you take my given Thank You for your time and assistance in bringing my request of informal resolution towards a resolution of understanding.

Respectfully,

Robert C. Weldon
